U11B - It would be easy to suggest that this should just have been two divisions of six teams, which would have resulted in more well balanced placement. But I would then expect the 6th placed team (BI2 02) to lose all their games and the 7th placed teams (TR5 02 Dean) to win every game. **The problem here is a need for more teams at this age group.** I've highlighted a few scores that need to be questioned, if these results continue. This age group will end up with only a handful of teams:

TR9 02 Alligators	BI1 02	2-8	0-9
TR6 02 Sharks	JC02 U11 PT Panthers	7-0	7-0
TR5 02 Dean	TR9 02 Alligators	11-2	
SK2 02	SK4 02	7-0	
TR6 02 Sharks	NK2 B 02	13-0	
TR9 02 Alligators	JC02 U11 PT Panthers	4-10	
JC02 U11 PT Panthers	NK2 B 02	9-0	10-0
SK4 02	TR6 02 Sharks	2-12	SK4 02
BI1 02	NK2 B 02	8-0	
BI1 02	NK1 B 02	8-0	
JC02 U11 PT Panthers	NM1 Boys 02	9-2	

U12 Boys – Here is an example where we've created two divisions and one division would have worked better. I don't get why a division of 5 teams was created. When we have 11 teams created a ten game season. Division 2, there was only two games with more than 6 goals difference, both involving JC 7 – 0 SK. The 3rd Division had similar scores to Div 2, with the following games larger than 6 goal difference

SK8 Jets 01	TR5 01 Thunder Falcons	9-1
BR1-00	CK2 01	7-0

U13 Boys – Not enough teams appears to be the biggest issue here, 4 teams placed with above .500 record and 5 teams placed with less than 2 wins.

TR2 00 Orange Crusher	BI2 00	7-0
TR2 00 Orange Crusher	BI1 00	0-6
BI2 00	TR6 00 Tracyton Lightning	1-10
BI2 00	TR2 00 Orange Crusher	1-10
BI1 00	BI2 00	6-0

U14 Boys: As with U13B, we have 3 teams with above .500 record, two teams with 2-3 wins and two teams without a win. I seriously question why the NK team wasn't moved out of this division, this team averaged 9 goals per game and scored double digits in five games:

NK Young Casuals	BI1 00	9-0
NK Young Casuals	PA Marauders 99	10-0
SK13 Fire FC 99	BI1 00	9-2
PA Marauders 99	SK11 99	8-3
SK13 Fire FC 99	NK Young Casuals	0-7
NK Young Casuals	SK11 99	18-1
C 99 U14 Boys	NK Young Casuals	0-15
SK13 Fire FC 99	SK11 99	8-1
PA Marauders 99	NK Young Casuals	0-16
SK11 99	NK Young Casuals	0-10

What actions did NK and/or NSYSA take during the season to educate the Young Casuals coach

U15 Boys: I saw one game with more than a 6 goal difference (BIFC team) and only three games with more than 6 goals scored by the winning team. Games appeared to be competitive but again too small a division.

U16 Boys: Some heavy scoring games

TR1 98 Tracyton Terror	BI1 97		0-12
NK1 Adrenalin	TR1 98 Tracyton Terror		12-0
PA Pirates 97	CK1 97 Wildcats		9-1
CK1 97 Wildcats	NK1 Adrenalin		0-9
SK2 The Silverbacks 97	TR1 98 Tracyton Terror		7-0
TR1 98 Tracyton Terror	PA Pirates 97		1-13
BI1 97	TR1 98 Tracyton Terror		12-1
TR1 98 Tracyton Terror	NK1 Adrenalin		0-7
CK1 97 Wildcats	BI1 97		0-6
NK1 Adrenalin	CK1 97 Wildcats		6-0
BI1 97	CK1 97 Wildcats		7-2

U17: No Division.

U18: No Division.

U19 Boys: I'd like for clarification on the age groups here, we have the following teams SK 93, TR 94, NK 95 and BI 96.

SK1 Falcons 93	BI2 95		10-2
Tracyton 1 Bombers 94	BI2 96		7-0

U11 Girls: Similar issue to the U11 boys, not enough teams.

SK3 02	BI2 02		10-1
R5 02 Metzger	JC Thunder Cats 02		0-6
NM1 Girls 02	SK2 02		10-2
TR5 02 Metzger	BI2 02		1-7
JC Thunder Cats 02	CK5 02		0-6
SK3 02	NM1 Girls 02		12-0
BR1-02	SK3 02		0-8
CK5 02	BI2 02		8-2
TR1 02 Patrick	SK3 02		1-7
SK3 02	SK2 02		10-0
TR1 02 Patrick	CK5 02		1-7
NM1 Girls 02	BI2 02		10-1

U12 Girls: YES...no games over 6 goal difference, great news, however two of the six teams only managed one win between them. Again, not enough teams to ensure a competitive league.

U13 Girls: No Division.

U14 Girls: Two divisions from the U13/14 age groups.

BI1 99	PA Intensity 99		0-9
TR5 00 Havoc	TR9 00 Tigers		9-0
PA Intensity 99	TR9 00 Tigers		12-0
JC 99 Black Cats	PA Intensity 99		0-7

TR9 00 Tigers	TR5 00 Havoc	0-7
NM1 Girls 99	BI2 99	6-0
TR9 00 Tigers	PA Intensity 99	0-8
BI2 99	NK1 G 00	7-1
SK8 00	PA Adrenaline 00	0-9
SK11 Scorpions 00	CK1 00	8-0
SK8 00	BI1 00	0-6
BI1 00	NK1 G 00	6-0
CK1 00	SK11 Scorpions 00	0-6

U15 Girls: 5 team division

CK3 98 Dynamite	SK1 98	8-2
K1 98	TR1 98 Tigers	0-7
SK1 98	CK2 Terrors 98	1-7
SK1 98	TR1 98 Tigers	0-8
TR1 98 Tigers	SK1 98	9-0

U16 Girls: No Division

U17 Girls: No Division

U18 Girls: No Division

U19 Girls: 5 team division, with team birth years; 94 – 97.

SK4 97 Striking Cobras	BI3 95	1-8

Scheduler & Webmaster Report NSYSA Board report – December 2, 2013

November saw the winding down of the Fall season and the gearing up of the D4 to NSYSA website and related systems.

Credit to Doug Marxon for directing an efficient NSYSA segment of the 2013 Sports Authority Washington Youth Soccer Recreational Cup, and congratulations to the 11 NSYSA team's still playing for titles into December!

Systems work during the month included:

- Financial reporting meetings and on-going discussions with Paul Aussendorf, Don Stephenson and RidgeStar
- Ongoing work to improve work flow of misconduct filing
- Developing new tools for collecting more coaches reports with Bob Bjornemo and RidgeStar
- Facilitated switch of SSL certificate to NSYSAsoccer.org with Louie Bond and RidgeStar
- Updated supplied postings of club board and AGM minutes photos from Fall on NSYSA site
- Initiated FAQ refereeing edits with Bob Bjornemo
- Winter league scheduling
- Recreational Cup scheduling
- Scheduling Fall Season's Lessons Learned shared with VP of Comp.
- Reconciled match score conflicts from Fall season

Over 54,838 total NSYSA pages, match or user records accessed during November 2013. Steve Shively accounted for 1,583 or 2.66% of total.

Respectively submitted –

1. Roll Call

- a. Club representatives
- b. Visitor introduction

2. Communications

- a. Recommendation for Mercy Rule implementation for Recreation Soccer for fall 2014 and beyond.
 - i. Requested that all clubs speak to this proposal and be ready to discuss with the January Board meeting. Must be presented in the Operating Procedure for the March AGM. Recreation League only application, U08 and above.
- b. Forfeitures of games and sanctions.
 - i. Formal application with fee if implanted, must be approved and within the Operating Procedure with the March AGM
 - ii. Forfeitures are generally a result of parents. Parents very often feed off coaches comments. Coach meetings must have strong discussion about this subject.
 1. NSYSA should assign a fine for all forfeits plus referee fees (2 games; Forfeited and possible replay.)
 2. Clubs will assess individual player accounts for reimbursement with next years registration.

NORTHWEST SOUND YOUTH SOCCER ASSOCIATION NSYSA

- c. Coaches Reporting.
 - i. This issue is the crux of many other issues.
 - ii. Some coaches have not entered the NSYSA web site for a year or more
 - 1. Lack of accessing impacts multiple issues
 - a. Game reporting
 - b. Printing rosters for game day
 - c. Checking for schedule changes
 - d. Sportsmanship awards
 - e. Follow on years scheduling process
 - 2. Lack of accessing does not support messaging process currently used by NSYSA, which provides notifications at time of login.
 - 3. NSYSA testing new process to send notifications to personal email addresses to improve communication.
- d. Missed games.
 - i. Are believed to be a direct result of coaches not logging into the NSYSA web site and therefore not seeing notification on the first web site page
 - ii. Printing schedule at the first of the season and never looking again.
- e. Schedule change notification
 - i. A request was presented to send schedule change notifications to all staff members for that team vice just a coach.
 - 1. Coach may not be available due to work, travel, hunting
 - 2. Back up staff notification may support the team being notified
- f. Bracketing of teams
 - i. The quest is to create fair and equal competition.
 - ii. Registrars are reminded that teams should not receive new team id's unless they meet the criteria from WYS which stipulates 8 or more players from the previous year remaining on the team, does not constitute a new team New team numbers should be cautiously applied
 - iii. Very strong evidence must be presented to allow teams playing down. This action should be the exception rather than the rule
 - iv. Play up for teams must be carefully assessed. Teams moving up may cause individual players experiencing competition with other players two or three years older
- g. Team travel
 - i. It was mutually agreed with teams having extra-long travel times will not have games scheduled before 10:00 AM

NORTHWEST SOUND YOUTH SOCCER ASSOCIATION NSYSA

- ii. U08 and below teams will have schedules which are more regionalized. U09 and older should expect travel. Clubs must tell their parents and families of this so that expectations are not impacted
 - h. Out of Association team participation in league play
 - i. Travel times will be respected
 - i. Development and focus
 - i. See enclosure from NSYSA Director of Development submittal
 - ii. Proposed two year team bracketing which would tend to offer a better application of randomization. Half of each team should move to new age bracket with each year.
 - iii. Discussion for U12 to be changed to a U11 format. This would allow for smaller fields for this age bracket and support combining age brackets.
 - j. Team roster for summer tournament participation
 - i. Teams with summer tournament games use the previous Fall season roster
 - ii. New rosters are not established until early August
- 3. Representative discussion
 - a. Doug Marxin submitted a message recommending “randomization.” This concept was varied in discussion. Clubs are asked to forward comments to NSYSA regarding experiences from each club to provide discussion at the Board meeting.
 - b. Ian McCullum submitted a message on several topics. Please see attachment.
- 4. It was requested and strongly agreed that the Association Registrar have a meeting in March prior to Clubs opening registration for Fall Soccer. All Club registrars should attend and discussion of expected registration practice be discussed to assure common actions.
- 5. Director of Development will schedule a meeting in mid-January
- 6. Clubs are asked to forward the Clubs Codes of Conduct to the NSYSA committee for review. The expectation is to create a single set of Codes of Conduct to be used by all clubs.
- 7. Team notes and coaches notes need to be sent during the scheduling process with both home and away coaches notes. This provides better visibility to Clubs for conflicts during the scheduling process.
- 8. Committee must be created for the review and development of Small Sided Operating Procedure. Once created all Clubs must use this guide to administrate the Small Sided Game.
- 9. It was suggested that NSYSA enter into discussion with Gig Harbor for this Club to join with NSYSA for Fall Rec Play. This action would have possibility for improvement of competitive play.

NORTHWEST SOUND YOUTH SOCCER ASSOCIATION NSYSA

10. The U10 bracket will continue to host a competitive bracket. It will be an “opt in” bracket and will be a fixed bracket at scheduling.
11. It is the hope to expand to the Girls game
12. It was discussed and strongly agreed that all brackets are fixed at scheduling and no rebracketing will occur during the season.

Lessons Learned – Fall 2013 NSYSA Season

1. August Fall scheduling meeting needs to have authoritative club representative present. Attaining consensus of the members present on bracketing, not after first two weeks of seasonal play.
2. Arbiter system used by KPSRA is unable to support bulk update import of existing games. So when the 9/10/13 NSYSA Board action directed us to swap BI teams from Div2 to Div 3 or 4 the bulk updates to all impacted schedules weren't able to be processed on the KPSRA side. Requiring hours of manual Arbiter site work by both NSYSA and KPSRA schedulers to fix. Lesson learned. Rebracketing is challenging in NSYSA's RidgeStar. It's essentially impossible in KPSRA. Better to simply cancel matches in both systems and start from zero. (Impacting standings if any games had already been played)
3. KPSRA capacity issues, esp. on Saturday's with lots of HS girls matches. Resulted in unacceptable coverage in Jefferson Co. and on Bainbridge Island.
4. Schedule change notification – Wholesale field changes due to rains should include club field scheduler contacting Registrar of away clubs with notification. As bulk updates don't issue individual onsite messages to linked coaches and contacts.
5. Interface issues:
 - a. NSYSA's RidgeStar built on interface between Bonzi – (RMA and Game Day team rosters), and KPSRA U11 + referee scheduling.
 - b. Now Affinity handles RMA (RidgeStar interfaces well, need clubs to no longer use RMA's care of Bonzi, and follow WSYSA's direction to move to Affinity).
 - c. Clubs not utilizing Bonzi, i.e. PAYSC, can't generate game day match rosters.
 - d. KPSRA's change to Arbiter doesn't allow NSYSA coaches or team officials to confirm that refs have been assigned to full-sided matches.
 - e. Disconnect on back-end with KPSRA match reports and misconduct filing.
6. Coaches Reporting – Beta testing external e-mailing to Team's point of contact, (defaulted as coaches primary e-mail), to notify that Coach Reports are missing. Teams need to have commitment to communication with NSYSA.
 - a. A few of the NSYSA club's lost most / all communication and continuity due to October Government shut-down. (Club schedulers were locked out of their government computers and offices and didn't have access to their soccer materials). Club's should consider connectivity and data loss issues and have plans in place to weather loss of hardware or being locked out of a @.gov e-mail account during the middle of the season.

District 4 Recreational Cup Director
Report for the December 2, 2013 NSYSA Meeting

11/4/2013- Picked up the District 4 Recreational Cup Champion team plaques from Recognition Plus in Silverdale.

11/7/2013- Picked up the District 4 Recreational Cup Champion team T-shirts from Kitsap Screen Printing in Port Orchard.

11/10/13 – I was able to attend part of four Recreational Cup matches: BU11 at Fairground #7, BU13 at Battle Point #4, BU18/19 at NKHS and the GU11 at Retsil #2. I attended the BU12 match at Mullenix Ridge 1 this was the second match of their 2 match series. Awarded the Championship plaque and T-shirts to the SK Booyah Boys as they won after the match went to “Kicks from the Mark”.

11/16/13 – I attended 5 final D4 Recreational Cup matches: GU12 at Gordon #1, BU11 and GU11 at Fairground #7, GU14 and GU15 at Gordon #. I awarded the Championship plaque and T-shirts to the following teams: GU12 Bremerton Blue Bombers, BU11 Tracyton Sharks, GU11 SK3 Mustangs, GU14 PA Intensity, and GU15 Tracyton Tigers.

11/17/13 – I attended the BU18/18 final D4 Recreational Cup match at Gordon #1 and awarded the Championship plaque and T-shirts to the CK Firehawks.

11/18/13 - I received an e-mail from Region 5 about the BU11 quarterfinal match that they are scheduled to host against our BU11 team. Their BU11 team has a scheduling conflict on the weekend of Dec 7/8, 2013. They would like to schedule the match earlier and are willing to travel up here if we're able to work it out. On Wednesday 11-29-13 after checking with all parties (both teams, TSC and KPSRA) and having everyone in agreement, I was able to schedule this BU11 quarterfinal match for Tuesday 11-26-13 at 7:00pm on Fairground #7.

11/23/13 – I attended the GU13 and BU15 final D4 Recreational Cup matches at Gordon #1. Awarded the Championship plaque and T-shirts to the following teams: GU13 Tracyton Havoc, BU15 Tracyton Mavericks.

11/24/13 – Finish inputting the 7 Recreational Cup quarter final game schedules that we're hosting into the Washington Youth Soccer spread sheet.

After the District 4 Recreational Cup tournament was over I worked on inputting the District 4 teams and their head coach information into the spreadsheet that the Washington Youth Soccer Recreational Committee uses for scheduling the state round of the tournament. We have a total of 18 teams (13 Champion and 5 Wildcard) moving onto the Quarterfinal round. I also worked on the scheduling 7 quarterfinal matches that we're hosting. I've insured that all of our teams know where their quarterfinal match schedule date, time and location. I've also emailed all of the visiting teams that we are hosting in the quarterfinal round to ensure that they know where their match is schedule for and to answer any question that I might have.

I would like to thank BIYSC, CKSC, NKSC, SKSC and TSC for providing the fields for the tournament. I would also like to thank the Louie Bond for handing out the awards to the BU14 and BU16 teams at Strawberry field and his son Mackenzie for doing the same for the BU13 team at NKHS on Saturday 11-16-13.

This concludes my written report for this meeting.

Respectfully submitted,

Doug Marxen
District IV Recreational Cup Director
