 - * Season length. Lots of discussion. Decided on 10 week season. Discussion on removing Soccer to the Maxx from the middle of the season. It was approved to remove the STTM from the middle of the season. SKSC and BIYSC were asked if they wanted to piggy back the STTM on to their jamborees but the clubs were not in a position to do that due to the applications already being sent to the state.

 - * Started spring league last week with Sequim. Question about insurance. Some confusion. If kids are registered in the fall, are they covered the whole year. Bob says that only if they are playing a WYS soccer league. If it is not a WYS sanctioned event, they would not be covered. Sequim typically aligns with US Soccer. The WYS players would not carry their insurance over to US Soccer

 - * Kitsap Alliance Jrs registration is open.

7. Unfinished Business

* Voting via email

- * Roberts Rule of Order does cover email voting. Bob says there are times that it could be usable. There are times something could be handled between meetings that would need to wait until the next meeting. CKSC says that the reason we do it the way we do it with NSYSA meeting first Monday, then the clubs can take the information back to their board and discuss then at the next NSYSA meeting the voting can be conducted. CKSC brought up only that the listed on the website club rep would be sent the email. Not the alternate rep.
- * Discussion about the percentage of required to approve the vote. 5 clubs and 4 board members need to agree as a quorum to pass the vote.

8. New Business

* 2017 AGM

- * Scheduled the AGM in March. March 27th. There will be no meeting in April.

* KPSRA

- * Please send in payment. KPSRA doesn't send out invoice, they want clubs to look at arbiter to determine what is owed.
- * The contract doesn't state that invoices will be sent. If clubs don't log into Arbiter and request an invoice, there will be a administrative fee of 10%. The clubs already pay a 7% administrative fee and feel that should cover the invoice admin fee.
- * The contract states that clubs will look at Arbiter to get their amount owed.
- * Some treasurers were not getting emails, some didn't have access to Arbiter.
- * Discussion about opening contract negotiation with KPSRA regarding some of the current issue.
- * What does the 7% admin fee cover? Need to get clarification of that.
- * Bob is going to contact KPSRA to request communication be opened between KPSRA and the clubs.

- * Darcy asked KPSRA if they would take an active role of recruitment along with NSYSA, and they said they would definitely recruit as they are always looking for new referees. NSYSA feels that KPSRA should advertise for needing referees. Club would advertise they have a clinic and KPSRA would run the training.

* Officers at the AGM for election are:

- * VP of Admin
- * VP of Awards
- * Registrar

10. Adjourned 8:32

I hope the New Year has brought us all a bit of a rest after the hectic events of the 2016 Fall Soccer Season. Mother Nature sent many obstacles and we did well at overcoming many of them. But, the events also introduced a need to solve some others. Here is some thoughts of how I feel we must move forward.

- * Attached is a matrix of the analysis of Fall Season Recreational Results.
 - * I have grouped both divisions into a single compiled list.
 - * I then did a calculation for a “Weighted Value” of +5 for teams with 5 or more games won.
 - * Then adding the “Weighted Value” to the value of the goal differential, I created a “Scheduling Score.
 - * I then redistributed the teams based on their “Scheduling Score.”
- * My intentions are to use this process to create a schedule matrix using “Cross Over” bracketing to pair like teams for the majority of games.
 - * It will be very important that Registrars enter all teams with the rollover WYS team numbers, unless the criteria for a new number is met.
- * I hope to create a better matrix of scheduling which is not dependent of geographical positioning. But rather competitive play.
- * I am also continuing to rewrite the Operating procedure removing all administrative language and including into one document that will be used universally for both Small and Full Sided games.
 - * The language specific to play of each League will be contained within individual documents as Enclosures of the main body of the Operating Document.
 - * Additional documents such as the following will become appendages of this same document:
 - * Fields sizes
 - * Foul weather action
 - * Disciplinary
 - * Mercy Rule
 - * Players, Parents, Spectator, and Coaches/Staff Codes of Conduct
 - * Guidance for heading the ball
- * The Club Presidents have taken responsibility for the writing of the Small Sided Appendix. I am asking for a draft copy be made available by the NSYSA-AGM so that it may be presented and approved in May. It is critical that we are able to provide a current document to the Clubs to begin coaches training in advance of starting practices.
- * Will the Club Presidents also take responsibility of writing the Full Sided Appendix? The same deadlines as above are relevant.
- * I have been in contact with WYS and there are some changes coming down for this year. Some of those known are as follows:
 - * No heading for ages 12 and younger, regardless of competition level. This is a birth age condition, i.e. U13.
 - * The “Build Out Line” will be extended to U12 play.
 - * No punting for U12 and below.
- * I would also like to extend my annual plea. We need referees at the Small Sided and Full Sided game. I ask Clubs to be proactive in soliciting/encouraging members to become those referees.
 - * Classes in early Spring will allow the referees to participate in Spring/Summer tournaments. Working with seasoned referees and having the opportunity to receive mentoring and experience.
 - * As well local tournaments will need more referees than is often not available
 - * Island Cup
 - * Dungeness Cup.
 - * SK Tournament

- * I would like to have discussion regarding the mitigation of the late season field closures and rain out dilemma I have several proposals to offer as mitigation and would like to have input.
 - * Starting earlier is a possibility, but I think vacations and other late summer events would deem this a non-starter.
 - * A ten week schedule in 8 weeks.
 - * Reduce the numbers of games to 8
 - * Sunday games must become an expectation

- * Soccer to the Maxx Chairwoman, Kathie Thoma, would like to talk about changes to the tournament. Move it up, include more age groups, ??? are all on the table.

- * Rec Cup does also need some discussion. Earlier scheduling of round-robin play would allow for mitigation to late season weather and field closure.

- * I have asked the Clubs to help me find an Administrator for TOP Soccer. NSYSA's commitment to our Special Needs community is being neglected. I need support. Please solicit your Club members for interested parties.

- * I have also spoken with WYS personnel with regard to RMA verification of individuals 18 years of age and younger. They are implementing a process very close to what we used last year. We are monitoring this new process and will share news as it is presented.

- * Finally the topic of Spring soccer is still out there and needs conversation. I am thinking Co-Ed, 9v9, Small fields, 6 – 8 weeks, and large roster numbers to allow for playing games while others miss games.
 - * The question is do we have fields
 - * Do Clubs register players
 - * Can we Co-mingle players from many Clubs
 - * What role does NSYSA play
 - * Volunteer referees or KPSRA

Congratulations for many of the Teams involved in WYS Founders Cup Play:
 BU11 BIFC Blue B06
 BU13 BIFC Blue B04
 GU14 BIFC Blue G03

Next weekend will bring teams to competition to finalize WYS Presidents Cup and WYS Championship Cup. Best of luck to all that will be participating in those tournaments.

Washington State and WYS will be hosting Region Cup play at 60 Acres Soccer Complex in Redmond area this summer. Winners of this weekend's matches will be playing in that tournament for the opportunity to travel to National Finals.

6. Club Reports (continued)

* NMYSC

- * Are clubs using Affinity or Bonzi for registration. Most clubs use Bonzi. Not sure if any NSYSA clubs are using Affinity.
- * Contacts for reimbursement? Not sure what the board is asking. Sometimes clubs will do something that is for the good of the association, which the association would repay. All NSYSA reimbursement would flow through the association Treasurer. KPSRA would be the contact for reimbursement for referee overpayment.
- * Going to try to have a U16 select team. Can players who tryout and do not make the team, can they return to REC? Yes. You can return to the REC division if you are not selected to a select team. If players are playing Winter, they can play REC in the Fall. The rule is that you have to register for REC first. You can only have 3 Select Players on a REC team.

Plenty of President's Cup match scheduling

2017 already has 207 Comp level matches scheduled for this year. Mostly Winter / Spring Leagues and President's Cup play. KAFC is the most active with BIFC also adding new matches to the schedule.

Club Scheduler Transitions

End of spring play brings transitions to scheduling roles and responsibilities at two clubs. Thanks to Hedim Ramirez of KAFC and Ballan Campeau of BIYSC. Their big shoes will be filled by Cameron MacDonald and Liming McMillan respectively. Tens of thousands of matches have been scheduled due to the efforts of Hedim and Ballan. Many at odd hours or in response to flooded fields or delayed away teams. NSYSA, KPSRA and their clubs are grateful for their great work. Thank you!

Records Retention Progress Continues

Efforts continue to safely and correctly archive then reduce scores of digital records contained on the NSYSAsoccer.org system site. Thanks to the recently passed Board policy, the targets for reduction are well identified. The task of carefully archiving, and verifying each data base before and after records reductions is a time-consuming task.

Highlights of recent records "thinning" include:

| Description | Last Active | Comments |
|--------------------|-----------------------------|---|
| Accounting (Money) | 15 January Minus 7 Years | 6277 entries deleted (through 1/14/2010, reduced section size by 54.96% |
| Audit (Money) | 15 January Minus 7 Year | System upgraded so that only 12-months audit trail is maintained in RidgeStar |
| Coach Reports | 15 January Minus 3 Years | 31047 entries deleted (through 1/14/2014), reduced sector size by 62.39% |
| Mail | 15 January Minus 1 Year | deleted 29,357 items on 1/14/2016, reduced sector size by 96.07% |
| Match Results | 15 January Minus 3 Years | deleted 26,251 match results on 1/14/2013, reduced sector size by 91.24% |

System Upgrades = Growing Pains for Some Users

Board addition of non-logged on users being required to acknowledge ethics and "Play Fair" principals prior to accessing NSYSAsoccer.org schedules and related site sections has resulted in some comments. Upgrades by RidgeStar to current operating platform resulted in legacy User names to being – just that – the users name, versus initials + a system generated index number, are causing some legacy users to require to update their browser saved access ID's.

Otherwise new system features are working well and serving NSYSA's needs as desired.

Respectively submitted –

Steve Shively, NSYSA Scheduler / Webstaff
